Hostile Ground, the beginning of the new Apocalypse series, is among the best I have seen. Fandemonium continues to release books that expand on the story of our heroes—and they do so with quality. In the beginning I was skeptical: the novel's events take place fairly early in the time span of the TV series, so I wasn't sure how anyt

"On Hostile Ground" tries to build a thriller based on the premise that New Orleans is about to be swallowed up by a giant sinkhole during Mardi Gras. The city's only hope lies squarely on the shoulders of one geologist (John Corbett). As far-fetched as the storyline is, it might have been entertaining... were it not so hopelessly dumb.
