Ang Lee's "Life of Pi" is a miraculous achievement of storytelling and a landmark of visual mastery. Inspired by a worldwide best-seller that many readers must have assumed was unfilmable, it is a triumph over its difficulties. It is also a moving spiritual achievement, a movie whose title could have been shortened to "life."

Life of Pi movie review & film summary (2012) | Roger Ebert

Tsitsum is the name of the ship that sinks on its passage across the Pacific, drowning Pi's family and leaving Pi stranded on a lifeboat. The word "tsitsum" (or tzimtzum) describes an idea from the Jewish Kabbalah teachings of Isaac Luria, a rabbi and mystic who is mentioned elsewhere in Life of Pi. The concept of tzimtzum says that God withdrew or contracted his infinite light in order to create the universe.

Belief in God. Belief in God is clearly a major theme in Life of Pi, and has been the most controversial in reviews of the book. Throughout the novel, Pi makes his belief in and love of God clear—it is a love profound enough that he can transcend the classical divisions of religion, and worship as a Hindu, Muslim, and Christian. Pi, although amazed by the possibility of lacking this belief, still respects the atheist, because he sees him as a kind of believer.
