Peter Wilson Idealism In International

The narrow understanding sees idealism as intimately tied to the inter-war period (1919-1939). It is a doctrine that dominated the first phase of IR - theorising, emphasising the growing interdependence and unity of mankind, and bound-up with the experiment in internationalism that was the League of Nations.

Idealism - International Relations - Oxford Bibliographies

Idealism in the foreign policy context holds that a nation-state should make its internal political philosophy the goal of its conduct and rhetoric in international affairs. For example, an idealist might believe that ending poverty at home should be coupled with tackling poverty abroad. Both within and outside of the United States, American president Woodrow Wilson is widely considered an ...

In international relations theory, the Great Debates refer to a series of disagreements between international relations scholars. Ashworth describes how the discipline of international relations has been heavily influenced by historical narratives and that "no single idea has been more influential" than the notion that there was a debate between utopian and realist thinking.
