Rewind allows you to passively record your surroundings. This app continuously runs in the background and records everything your phone hears, allowing you to save recent recording when you hear something you would like to keep. ☐☐ You can record from within the app, by toggling the app notification (you can disable this in the settings), or by using the app widget on your launcher.

rewind definition: 1. to make a recording go back towards the beginning: 2. to go back, or to make something go back.... Learn more.

REWIND | meaning in the Cambridge English Dictionary

Rewind is a beautiful second chance at love story. This book seriously tugged at my heart strings and captivated me immediately. The writing is passionate, and the storyline is heartbreaking, emotional and unforgettable. Sandi Lynn always does a fantastic job writing books with consistent plots that are direct and to the point.
