internalization.³ The study of cultural violence highlights the way in which the act of direct violence and the fact of structural violence are

legitimized and thus rendered acceptable in society. One way cultural violence works is by changing the moral color of an act from red/wrong to green/right or at least to yellow/acceptable; an example being

Cultural Violence* - JSTOR

Presenting the fierce and vital writing of organizers, lawyers, scholars, poets, and policy makers, Color of Violence radically repositions the antiviolence movement by putting women of color at its center. The contributors shift the focus from domestic violence and sexual assault and map innovative strategies of movement building and resistance used by women of color around the world.

The depiction of violence in high culture art has been the subject of considerable controversy and debate for centuries. In Western art, graphic depictions of the Passion of Christ have long been portrayed, as have a wide range of depictions of warfare by later painters and graphic artists. Theater and, in modern times, cinema have often featured battles and violent crimes, while images and ...

Violence in art - Wikipedia

of color, avoid interaction with law enforcement because they fear harassment, intimidation, incarceration or violence — leaving transgender victims of crime without the legal recourse and protections they vitally need. Only 18 states and the District of Columbia currently have laws that address hate or bias crimes based on gender identity.
