The Scouring Angel The Black

The definitive account of the Black Death in the British Isles. Nothing experienced in human history, before or since, eclipses the terror, tragedy and scale of the Black Death, the disease which killed millions of people in Medieval Europe. The Scouring Angel tells the story of Britain immediately before, during and after this catastrophe. It charts the progress of the plague from its inception in the Near East, through Europe, to the moment it strikes the south coast of England, and its ...
