### Us Edition Vs International

The main difference between the U.S. version and the international version of a textbook is the cover. Many U.S. textbooks have a hard cover, known as casebound, while the international version has a soft cover. In some cases, the images on the cover may differ slightly while others will have the same cover image and design on a paperback book.

### The Differences Between U.S. and International Textbooks ...

Probably in most cases (and 100% of the time in my personal experience -- I have purchased and used 5 or 6 international editions of math textbooks), the international edition is identical to the US edition in content. The paper quality, the printing quality, etc., might not be as nice, but that's about it. 21.7K views View 10 Upvoters

### Is there a difference between international edition and US ...

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper.

### International Editions - TextbookRush

It is absolutely NOT illegal to sell or buy international edition books in the country. In fact, if you email any of the major publishers they will tell you it themselves. Again, it is absolutely LEGAL. As far as differences, usually they are exactly the same in content but differ in layout. For example, almost always they are softback/paperback.

### US edition of a textbook vs International Edition (teacher ...

Most of the textbooks I used during my undergraduate studies (outside north America) are International editions, so what is the difference between a national and an international edition of a book? For example, I have a book that says. XYZ published this special edition for the benefit of students outside the United States and Canada.

### Difference between International edition of a book and a ...

The only differences are international editions are always paperback with thinner, cheaper paper. Most also only have black and white photographs, instead of the full-color ones found in the US edition. When I was in school, I bought international editions of books whenever I could find them and never had an issue with the content.

### US edition of a textbook vs International Edition ...

The international editions are for purchase in poor countries and are very low quality. If you are in the US, purchase of these books are controversial, there have been a couple of new cases in the supreme court this year concerning them. As a lone student, your biggest fear is that it will fall apart.
