Exmark has put together several videos to assist in the training and understanding of Exmark equipment. These videos provide an overview of the safety features and operating characteristics of the specific Exmark machine. Keep in mind, these videos are not a substitute for reading and understanding the information contained in the Operators Manual.

Exmark Lawn Mower Service & Support | Exmark

The truth is, nobody knows your Exmark machine better than the people who developed it. No aftermarket parts provider owns the original design, engineering and test requirements needed to make meaningful, original quality claims. So, if you don't use Original Exmark Parts on your mower or turf management equipment, it's not 100% an Exmark.
